PROJECTS

PORTFOLIO: https://yasir2309-portfolio.netlify.app/

E-COMMERCE WEBSITE – SHOFY (.NET CORE MVC)
Designed and developed a user-friendly e-commerce platform with secure authentication, product browsing, and cart features.

Care Service Website (PHP)
Built a dynamic website for a care service provider with service listings and contact functionality.

Interior Design Website (PHP)
Created a visually engaging site to showcase interior design services and portfolio.

Netflix Clone
Designed a responsive front-end clone of Netflix using only HTML and CSS.

Project details and GitHub link available in portfolio.
